PUBLIC WORKS, PORTS & INLAND WATER TRANSPORT SECRETARIAT

NOTIFICATION

NO.: PWD 59 SESAKI 2017 BENGALURU, DATED: 28-07-2017.

WHEREAS, the appointment made in pursuance of the 2001 Special Backlog Rules, under the Backlog vacancies in the Department of Public Works, Water Resources and Rural Development & Panchayat Raj Engineering Departments in the cadre of Assistant Engineers & Junior Engineers on contract basis were absorbed in the Karnataka Civil Services (Absorption of persons appointed on contract basis against backlog vacancies in the category of posts of Assistant Engineers and Junior Engineers in the Departments of Public Works Engineering, Water Resources and Rural Development & Panchayat Raj) (Special) Rules, 2005 which was published in Notification No. PWD 120 SeSaKi 2005, Bangalore, dated 24th May 2005 in Part IV-A of the Karnataka Gazette (Extraordinary) dated 24th May 2005.

WHEREAS, the contractual appointment and in furtherance of the said Special Rules was questioned before the Hon'ble K.A.T. in application no. 6258/2003 and Hon'ble K.A.T. has disposed of the said application on 25-05-2009 by quashing the Special Rules and directed the Respondents to fill up the backlog vacancies under 2001 Rules. Aggrieved by the said rules some of the Engineers and also State Government have filed Appeal before the Hon'ble High Court in W.P. No. 15314-15378/2009 and 23707/2009. The said Writ Petitions were disposed off by Hon'ble High Court vide its order, dated 13-07-2012 by upholding the orders of Hon'ble Karnataka Administrative Tribunal, dated 25-05-2009 with directions to fill the backlog vacancies as per rules of recruitment. Further, the State Government and others have filed S.L.P. before Hon'ble Supreme Court and the Hon'ble Supreme Court, in its order dated 04-11-2015 in Civil Appeal No. 9337-9352/2015 and connected cases the order of Hon'ble High Court, dated 13-07-2012 has been upheld with directions that the backlog engineers who are appointed on contract basis in the cadre of Assistant Engineers & Junior Engineers are to be filled on the basis of re-selection in accordance with 2001 Special Rules and also certain directions with regard to extension of the service benefits is as follows:

"7. Having heard learned counsel for the rival parties at great length, we are satisfied, that the directions issued by the High court call for no interference whatsoever. We therefore hereby confirm the impugned order and directions dated 13.07.2012.

Having confirmed the impugned order, the authorities are directed to comply with the order of the High court dated 13.07.2012 in the following manner:

- i) In the process of selection to be conducted for filling up the backlog vacancies under the 2001 Rules, the concerned competent authorities will first carry out a selection process for filling up 462 vacancies of Assistant Engineers and 243 vacancies of Junior Engineers.
- ii) Those selected in furtherance of direction (i) above, shall be appointed with effect from 1.9.2003. Those who are appointed for the first time (in addition to those who were earlier selected on contract basis, and again fall in the zone of selection) shall be allowed wages only with effect from the date of their actual appointment, even though their appointment shall relate back to 1.9.2003. The salary payable to them, shall be determined by fixing their increments notionally with effect from 1.9.2003;
- iii) A similar exercise will be conducted for the remaining backlog vacancies, which shall relate back to 20.1.2004 exactly in the same manner as has been expressed in the direction at (ii) above. The process of selection in compliance of the preceding direction, as well as, the instant direction, can be conducted jointly.
- iv) Those selected and appointed with effect from 1.9.2003 will be entitled to seniority with effect from 1.9.2003, and likewise, the remaining appointees will be allowed seniority with effect from 20.1.2004.
- v) It is natural, that some of the candidates selected on contract basis, and appointed on 1.9.2003/20.1.2004 will be ousted, consequent upon the holding of the selection process contemplated under the 2001 Rules. Such of the Assistant Engineers and Junior Engineers appointed on contract basis, who do not make the grade, would naturally have to make way in favour of those selected under the directions at (ii) and (iii) above. The erstwhile appointees on contract basis, who do not fall in the zone of selection, have by now rendered 11/12 years of service as Assistant Engineers/Junior Engineers. It would be too harsh for them to vacate the posts occupied by them, for over a decade. **In exercise of our jurisdiction under article 142 of the Constitution of India, we are satisfied in directing, that such of the Assistant Engineers/Junior Engineers who have to make way to the regularly selected candidates, will be absorbed under the provisions of the Karnataka Civil Services (Absorption of persons appointed on contract basis against backlog vacancies in the category of Assistant Engineers and Junior Engineers in the Department of Public Works Engineering, Water Resources and Rural Development and Panchayat Raj) (Special) Rules, 2005 (hereinafter referred to as the '2005 Rules') with effect from 20.1.2004. They will be entitled to all service benefits including seniority and pay fixation etc. with effect from 20.1.2004.**
- vi) **The state Government shall have the liberty to create supernumerary posts to accommodate the employees who are appointed by way of absorption.** We also direct, that the above Assistant Engineers/Junior Engineers, accommodated as a consequence of their absorption shall be placed in the seniority list below those appointed under the directions contained in (ii) and (iii) above. The order of inter se seniority of the above stated absorbed employees, will be regulated on the basis of their inter se merit.

WHEREAS, in pursuance of directions of Hon'ble Supreme Court order, dated 04-11-2015, recruitment process to fill up 846 backlog Assistant Engineers and 501 Junior Engineers have been made and the appointment orders alongwith postings have been issued by the State Government and also Chief Engineer, Communication & Building (South), Bengaluru respectively, in respect of all candidates whose validity certificates are received.

WHEREAS, the Absorption Rules of 2005 is retained by Hon'ble Supreme Court in its order dated 11.04.2005 at item (v) of the para 7 with directions to continue the service of Assistant Engineers and Junior Engineers shown in the Schedule appended to 2005 Absorption Rules, who were appointed on contract basis and did not make the grade, and did not fall in the zone of selection upon the holding of the selection process contemplated under the 2001 Rules. Accordingly, Government of Karnataka hereby makes the following in respect of those Assistant Engineers and Junior Engineers shown in the Schedule appended to this order, who were appointed on contract basis but did not make the grade, and did not fall in the zone of selection upon the holding of the selection process contemplated under the 2001 Rules:-

- (1) Among the above Assistance Engineers & Junior Engineers those who have submitted service particulars are only entitled to all service benefits including seniority and pay fixation etc. with effect from 20.1.2004 in accordance with the directions of the Hon'ble Supreme Court order dated 04.11.2015.
- (2) As per the directions of the Hon'ble Supreme Court dated 04.11.2015, to accommodate the in service Backlog Assistant Engineers & Junior Engineers are considered under the supernumerary posts held by them, subject to following conditions:-
 - a) The post held by them are purely temporary, and it will get abolished immediately after the incumbent leaves the post due to promotion, retirement, death or for any other reason, whichever is earlier;

The order of inter-se seniority of the above stated absorbed employees, will be regulated on the basis of their inter-se merit as determined in 2005 Rules;

- This order is issued with the concurrence of Finance Department in its Note No.: FD/664/Services-1/2017, dated 28-07-2017.
